Is this a "Fast & Focused" Search Request? (Circle One) YES NO

A "Fast & Focused" Search is completed in 2-3 hours (maximum). The search must be on a very specific topic and meet certain criteria. The criteria are posted in EIC3600 and on the EIC3600 NPL Web Page at <http://ptoweb/patents/stic/stic-tc3600.htm>.

What is the topic, novelty, motivation, utility, or other specific details defining the desired focus of this search? Please include the concepts, synonyms, keywords, acronyms, definitions, strategies, and anything else that helps to describe the topic. Please attach a copy of the abstract, background, brief summary, pertinent claims and any citations of relevant art you have found.

John N. Gross

Please see attached summary. I also would like to personally meet with the EIC searcher that will be searching this case to make sure we know what to look for, before the search is conducted.

i hate **blockbuster**. aside from their ridiculous prices, they're not getting any new games. they're not getting sonic adventure 2, they're not getting cel damage. i mean what the hell? i'd like to rent these games before i go out and buy them without knowing how they are, but bb's the only video store in my vicinity. so i don't know what to do. they're idiots.

Dude, you oughta try www.angelgamer.com. I just signed up for this and it seems to be a pretty sweet deal. I went with them over Red Octane because of the selection - especially for GC. I signed up yesterday and I put Sonic 2 in my **queue** as number 1. I got email today saying it was sent already so I should have it Monday.

Anyway, I felt the same way about BB so I'm hoping this will be the solution for me....

How To Open an Account

To take advantage of the services at cafeDVD, you must first open an account with us. You must be 18 years of age or older, have an e-mail address and a valid credit card. There's no membership fee or commitment. Simply go to "My Account" and choose a user name and password to create an account. Becoming a registered member of cafeDVD is fast and simple.

How To Manage Your Account

Once you create an account, you can view your account history, track your order, reserve or request the movie you want to rent, as well as manage your cafeDVD Reward Points by logging in to you account. Use your "My Account" page to change your member information including your password, email address, shipping address, and credit card information.

Q. What is Wish List?

Your Wish List" is a customized list of the movies you want to rent. When a title on your Wish List becomes available, cafeDVD will notify you automatically via e-mail. Putting a DVD on your Wish List puts you under no obligation to rent that title it at any time. The Wish List is a free, courtesy feature at cafeDVD, provided for your convenience and enjoyment.

Q. How much does it cost to rent?

The cost of a Standard Rental is \$3.00 per DVD. There is a 2-title per order minimum and a 4-title per order maximum. There is an additional shipping charge of \$2.50 per order, regardless of the number of titles ordered. You may keep the movies for 7 days from the day you receive them.

Q. How long will it take to get my movies?

Titles are sent via first-class mail and usually arrive within 2-4 days. The U.S. Post Offices provides a reliable, affordable shipping method, and we're happy to pass those savings along to you. Some movies may take longer than 4 days to arrive because of unforeseen delays in the U.S. postal system. cafeDVD cannot guarantee delivery dates.

Shipping and Returning DVDs

Q. What is your shipping policy?

Orders received by 4:00PM (Pacific Standard Time) are shipped out the same day. Orders received after 4:00PM, on weekends or holidays are shipped on the next business day. cafeDVD will automatically send you an e-mail confirming your shipment as soon as your order is en route. All

orders are shipped by U.S. First-Class mail and should arrive in 2-4 days.

Q. What is your Return policy?

When rentals are returned, we inspect the discs and put them back into our inventory. A return confirmation email is sent to you. If you do not receive the email, it means we have not received your return from the U.S. postal service.

Q. Do I have to pay if a disc is lost and it's not my fault?

cafeDVD uses the U.S. Postal Service to safely ship discs to our members and we encourage our members to do the same. We do, however, understand that an occasional disc may be lost during the shipping process through no fault of the customer. But, when the quantity of lost discs reported by a customer becomes excessive, we place the account under review and notify the customer via email. We need your help -- monitoring areas of loss helps us provide valuable information to our postal liaison who works diligently to ensure the effective delivery and return of our DVDs.

Q. How long will it take to receive my movies?

Movies arrive in 2-4 days. We use USPS First-Class Mail as our standard delivery method to help maintain our competitive pricing edge. A title may take longer to arrive due to unforeseen delays in the postal system. cafeDVD cannot guarantee on-time delivery.

Q. It's been 4 days since I received my shipping confirmation e-mail, but my order hasn't arrived. What should I do?

If a postal delay occurs and you do not receive your order within 4 days, email us immediately. We will re-calculate the rental period so that it begins when you receive your order. (The return date is based on the expected arrival date, which is 3 days after the shipment.)

Q. I need my movie by a certain date. Can it be guaranteed?

cafeDVD cannot guarantee delivery via our standard service. We do, however, provide USPS Priority Mail, Express Mail, DHL and FedEx Delivery upgrade options for an additional cost. Please note that only DHL and FedEx offer delivery guarantees and neither offers Saturday delivery.

Inventory & Availability

Q. Why can't I find the movie I want?

cafeDVD is committed to meeting our customers needs, but on occasion, the demand for some titles may exceed our supply. This is especially true of highly promoted new releases, out-of-print titles and titles for which we experience heavier-than-usual breakage. Also, if you're having trouble finding a recent movie, it may not have been released on DVD yet. Finally,

if you're using our Search feature without success, be sure that the title you've entered is correct and has no errors in spelling. If you're not sure of the exact title, try entering a portion of the movie title or searching by actor or director.

Q. What do AVAILABLE NOW, SHORT WAIT, LONG WAIT, NOT AVAILABLE and COMING mean?

1. **Available Now:** We have copies of this title available for immediate shipment.
2. **Short Wait:** We don't have a copy ready to ship immediately, but the waiting list isn't long and a copy should be available soon. A "short wait" title is usually becomes available in less than 2 weeks.
3. **Long Wait:** This title is in high demand and will not be available for 1-3 months.
4. **Coming:** We do not have this title available for rental, but it will be part of our inventory in the near future.

Q. I'm looking for a certain DVD and cafeDVD doesn't appear to have it.

First go to www.imdb.com to see if the title has been released on DVD in the U.S. or if a release date is scheduled. Then, notify our staff at titlerequest@cafedvd.com. Your request will be sent to our purchasing department. You may also add the title to your Wish List. cafeDVD is always responsive to member interests, so we analyze members' Wish Lists each month to help determine which titles should be added to our inventory.

Unlimited Rental Program

Q. Do I need to Open an Account to join unlimited rental plan?

Yes. To take advantage of any service at cafeDVD, you must first open an account with us. You must be 18 years of age or older, have an e-mail address and a valid credit card. There's no membership fee or commitment. Simply go to "My Account" and choose a user name and password to create an account.

Q. How does unlimited rental program work?

With Unlimited Rentals you may rent as many movies as you want each month for a flat fee, which is automatically charged to your credit card on the monthly anniversary of your membership date.

Q. How do I use the Rental Queue?

As you browse the cafeDVD site, you may click the "Add to Wish List" button that appears next to every movie. The title will automatically be added to your Rental Queue. Prioritize film sin your Rental Queue by manually entering a desired rank. You can update or edit your Rental Queue anytime. We'll send you the top four ranked DVDs from your Rental Queue as they become available.

Q. I sent back a DVD, but didn't receive a return confirmation e-mail from cafeDVD. What do I do?

Typically, we receive movies you've returned in 2 to 4 days. However, when a postal delay does occur, we want to make sure you're not penalized and can still receive new movies from your list. To compensate for postal delays we offer the pre-release service. You may use this feature to let us know you've sent a movie back to us 4 or more days ago and have not received a return confirmation. Once you notify us that you've already mailed your movie back, we'll release the next available movie in your Rental Queue as soon as possible. If you do not receive return confirmation email in 4-5 days after your return your DVDs, you should email us at support@cafeDVD.com

Q. How do I cancel my unlimited rental membership?

You may cancel your Unlimited Rental membership at any time. Once you notify us of your decision, your account will be closed at the end of your current 1-month membership period. cafeDVD does not give refunds for unused portions of a membership. Your account will not be closed until all DVDs you have rented have been returned.

Policies**Q. What is the price of the cafeDVD Service?**

The cost of a Standard Rental is \$3.00 per DVD. There is a 2-title per order minimum and a 4-title per order maximum. There is an additional shipping charge of \$2.50 per order, regardless of the number of titles ordered.

Q. Is the cafeDVD site secure?

Yes. To safeguard your credit card information, cafeDVD uses SSL (Secure Socket Layers), the most advanced online ordering security system available. We are certified by Thawte, the third party organization who verifies authentic sites using SSL web servers. SSL encrypts all ordering information so that no part of your order -- including your name, address and credit card number -- can be read in transit by an unauthorized third party.

Q. Is my personal information secure?

cafeDVD.com is committed to protecting your privacy. The information we collect about you is used exclusively to process orders and to provide a more personalized rental experience. We do not sell, trade, or rent your personal information to others. We will not ask for your authorization to share your account information. Your personal password is the only key to access your account. To ensure your safety and privacy, do not share your password with anyone.

Q: What about "cookies"?

"Cookies" are small pieces of information that are stored by your browser or

your computer's hard drive to facilitate and speed-up your online experience. cafeDVD cookies do not contain any personally identifying information, but they do enable us to provide you with one-button shopping. Most Web browsers automatically accept cookies, but you can usually change your browser to prevent that. Even without cookies, you can use most of the features in our store, including placing items in your shopping cart and purchasing them.

Q: Do I have to pay if I lose a disc and it's not my fault?

cafeDVD uses the U.S. Postal Service to ship discs to our customers. We found this method of delivery to be reliable and fast. However, we're aware that a disc may occasionally be lost during the shipping process through no fault of the customer. Therefore, it is our policy to accommodate for the occasional disc lost during shipment. If the quantity of lost discs reported by a customer becomes excessive, however, we will place the account under review and notify the customer via email. Monitoring areas of loss helps us provide valuable information to our postal liaison who works diligently to ensure the effective delivery and return of our DVDs.

Members of cafeDVD must be at least 18-years old. It is a member's responsibility to know community standards and applicable law renting and owning NC-17, un-rated, and mature movies. CafeDVD is unable to ship movies with these ratings to any area not legally within the right to receive such material including the following areas: Tennessee;Alabama; Belleville, IL; Cincinnati, OH; Fairview Heights, IL; Southern Ohio; Oklahoma City, OK;Newport News, VA

Customer Support

Q. The DVD I rented is unplayable. What do I do?

Although all DVDs go through "quality control" before leaving the cafeDVD warehouse, titles are occasionally damaged in transit. If you receive a DVD that skips, try wiping the disc from its center to outer edge (never in a circular motion) with a clean, lint-free cloth. Dust particles are also a common cause for most playback problems. If cleaning doesn't solve your problem, email us at support@cafeDVD.com. Once we're aware of the situation, we'll make an adjustment to your account. When you return any faulty discs, please make a note on the sleeve that the DVD is "Damaged".

Q. I lost the white sleeve the DVD comes in. What should I do?

Sleeves are very important for keeping DVDs protected during mailing. If you've misplaced the sleeve, please send the movie back in a protective lint-free sleeve which can be purchased at most audio-video stores. Please enclose a note with your name and email address.

Q. I lost the prepaid return envelope used for returning the DVD. What should I do?

If you misplaced one of our prepaid return mailers, you may use a secure mailer with your own postage: cafeDVD.com, P.O. Box 2107, Menlo Park, California 94026-2107. Be sure that the mailer is sturdy and will protect the DVD in transit.

Q. I broke or lost a DVD. What should I do?

If a title has become damaged while in your possession or is lost, please notify cafeDVD by email. We usually charge 50% of the list price for the lost disc. If you can find the DVD at a cheaper rate in your area, you may purchase a replacement copy and mail it back to us.

Q. Do I have to pay if a disc is lost and it's not my fault?

cafeDVD uses the U.S. Postal Service to safely ship discs to our members and we encourage our members to do the same. We do, however, understand that an occasional disc may be lost during the shipping process through no fault of the customer. But, when the quantity of lost discs reported by a customer becomes excessive, we place the account under review and notify the customer via email. We need your help -- monitoring areas of loss helps us provide valuable information to our postal liaison who works diligently to ensure the effective delivery and return of our DVDs.

Q. I received the movie I didn't order. What should I do?

To receive proper credit for a movie that you did not order, please send an email immediately to support@cafeDVD.com with "Incorrect Fulfillment" in the subject line. If the movie you received did not correspond with the title on the white protective sleeve, please also write down "Wrong Movie" on the sleeve of the DVD at the time of return.

Q. Why did I just receive a rental return confirmation email for a DVD I never received? Are you going to resend it?

If you receive a return email confirmation for a movie you never received, it means that the title was returned to us by the post office because they were unable to deliver the DVD. One reason may be that we don't have your complete and correct address on file. Go to "My Account" and review your address on file. If the address we have on file for you is correct, you may wish to contact your local post office. After correcting your address, you may add the title to the top of your wish list so that we can notify you when it becomes available for your rental again.

Special Features & Feedback

Q. What are Customer Reward Points?

Customer Reward Points is a special bonus program to reward our customers and thank them for choosing cafeDVD. Members receive "points" equivalent to 10% of the rental value of every order placed after October 1, 2001. (For example, a \$6, 2-DVD rental earns 60 Reward Points.) Points may be

redeemed for free rentals (300 points = 1 free rental), delivery upgrades, or to buy used DVDs. Rentals using Saverpak and the Unlimited Rental Program do not qualify for points and are excluded. Note: 100 points are equivalent to a \$1.00 cafeDVD coupon. You need to accumulate at least 300 points to redeem. Points may NOT be redeemed for cash.

Q. SaverPak

The SaverPak option allows customers to save money by purchasing prepaid rental credits for \$37.00, which include rental and shipping for 10 DVDs. (Value: \$42.50). SaverPak is non-refundable and is good for 12 months from the day of purchase.

Q. How Do I Purchase Gift Certificates?

Buying a cafeDVD gift certificate is easy. Just go to cafeDVD Gift Certificates to make your purchase online with your credit card. The recipient of your generosity will receive a unique code on the certificate that can be used to redeem the gift. (Note that recipients will need a valid credit card to activate the membership, but they will not be charged until their rentals exceed the value of the certificate.) Gift certificates are non-refundable, cannot be transferred and are not redeemable for cash.

Q. Do you have any special offers?

Members can earn Customer Reward Points by signing up for offers made by sponsors at cafeDVD. Just visit our special offer section to see whether there's some offer that interests you. Redeem your points for free rentals, delivery upgrades or to buy DVDs.

Q. Special Sales

Be sure to check out our Special Sales section for hard-to-beat prices for the best-selling titles in the market.

removed to and from rental queue to modifying queue based on
authorization from subscriber

Inventor: GROSS J N

Abstract (Basic):

... The method involves monitoring a subscriber rental queue in
accordance with queue monitoring control rules to find if a change
should be...

...or ordering of a list. A proposed playable media item to be added to the
rental queue is automatically selected or removed from the queue. The
queue is modified based on...

... An INDEPENDENT CLAIM is also included for a media rental
service system...

...Used for monitoring a rental queue maintained by a content provider
for a subscriber in a movie distribution environment, such...

...enables subscribers/purchasers to react and provide intelligent feedback
in response to notifications in a rental /purchase queue...

ABSTRACT

... who does not have customer information and uses a commercial broadcast to act for the reservation , and to solve such a problem that it is difficult for a customer managing trader who has customer information and does not have strong advertisement medium such as broadcast media to expand a reservation service system.

SOLUTION: An advertiser ID is added to advertisement information delivered to a subscriber to communicate information relating to reservation input and to connect between the advertisement distributor 200 and a customer information managing company 220. The advertisement distributor 200 delivers the advertisement with the advertiser ID to a user 240 by a broadcast network 290. Reservation input items are selected in every shop to reflect differentiation service for every shop and every facility to

reservation input form. **Reservation** operation information DB 208 is installed so as to be able to **register** the advertiser information. The customer information managing center 220 manages customer preference information which reflects...

... customer preference information DB 234 is prepared to inscribe as the default information of the **reservation** input form.

ABSTRACT

... a method for using a portable telephone set with a browser as a music selection **reserving** tool of a karaoke device and an electronic index **book** server for implementing the method.

SOLUTION: (1) The electronic index **book** server is opened, which **communicates** data with the portable telephone set with the browser through a portable telephone network. (2) The electronic index **book** server manages a music retrieval database for the karaoke device, and also has an index **book** using program to be run on the portable telephone set and **sends** the index **book** using program at a request from the portable telephone set. (3) The portable telephone set having **received** the using program runs the program, **delivers** a query based upon user's retrieval input to the server, receives a retrieval report responding to the query, and uses the report to generate a music **list** including music names and music Ids for the karaoke device according to user's input...

ABSTRACT

PROBLEM TO BE SOLVED: To have commercial **messages** (CMs) having a high propaganda effect looked and listened by a user when the user looks and **listens** to the **videos** recorded on the **DVD** by reproducing the same and to allow the advertisement fee thereof to sufficiently reduce the **rental** fee to be born by the user.

SOLUTION: The **DVD** 1 includes a read-only ROM region 1a where the **videos** are previously recorded and a RAM region 1b where reading and writing are possible. A **DVD** device 2 for a **lender** writes a **recording** and reproducing control program in the RAM region 1b of the **DVD** 1 to be lent. A **DVD** device 3 for a lessee reads out the **recording** and reproducing control program from the RAM region 1b of the **rented DVD** 1 and carries out the next operation according thereto. First, digital broadcasting is **received** and the CMs are extracted and are written into the RAM region 1b. Next, the **videos** are read out of the ROM region 1a and the CMs out of the RAM...

Abstract: Since mid-1998, the Los Angeles based LA F11 Publishing Company has been convincing **film** and **video** production companies that **DVD** is more than a **new movie** distribution medium-it can be a great tool for self-promotion. Specifically, Publisher Giles Goodhead and his staff have used **DVD** to help sell advertisements in a **new** publication called 411 Digital. 411 Digital is the sister publication of the LA 411 Resource Directory, a 20 year-old annual reference **book** that, for Tinseltown residents, needs no introduction. It is, in a word, the "Bible" for **film** and **video** producers, **telling** them where to go for whatever they need, including cameras, caterers, dog trainers, stunt men...

... effects and post production. So last summer (1998), Goodhead decided that this important aspect of **film** and **video** production deserved its own **book**, and 411 Digital was born. He simultaneously decided that **DVD**'s time had come as well; hence, the idea of bundling a **DVD** demo disc with the **book** was conceived. Inserted into a plastic sleeve inside the **book**, the showcase **DVD - Video disc** gives **book** purchasers-those movers and shakers who do the **hiring**-a convenient way to see the work of a select number of the nearly 2000 production companies **listed** in the 411 Digital sourcebook. Seeing the promotional value of this deal, 32 eager contributors...

...and coaching. In older call centers, a supervisor would sit next to an agent to **listen** in on the conversation and provide feedback. Now, logging and monitoring tools are used to allow the supervisor to monitor multiple agents as needed. Automated **recording** represented a big step forward, but the problem remained of listening to and evaluating the recorded calls. Digital **recording** helps to minimize the time needed to sort through recordings. Another innovation is simultaneous screen and data capture, which **lets** the supervisor hear what was said and see what the agent viewed on-screen and...
